Atascadero Mar-30-15-

Dear Loved Ones

I received your most  
kind and loving letter  
tonight and am  
glad to hear from  
you all

I would like to  
have the girls come  
up and you too  
if it wasn't for  
the chores, my  
I wish there wasn't  
any chores for you  
to do

I sent you \$2.50  
this morning hope  
you get all right

CM

2) I sometimes think  
it would be better  
for us to stay down  
there, but I want  
to get away from  
there

Maybe it would be  
better to sell all of  
the stock and chickens  
in fact everything  
we could and only  
ship the household  
goods

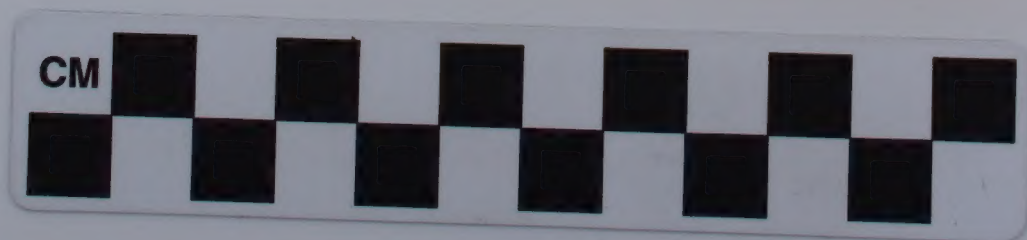

I don't know how  
we will ever be  
able to build a house  
unless we put it  
all in just a lot  
and get it paid for  
and then get a loan

CM

3) on it to build  
with

The building restriction  
on the  $2\frac{1}{2}$  acres is  
\$750.00 seven hundred  
fifty dollars and on  
the lot is thousand  
dollars \$1000.00 but they  
are going to sub ~~divide~~  
divide some more  
in Block QA and  
will be cheaper but  
smaller in size and  
the restriction are  
\$750.00 are going  
to look at them  
just as soon as they  
have them staked  
off

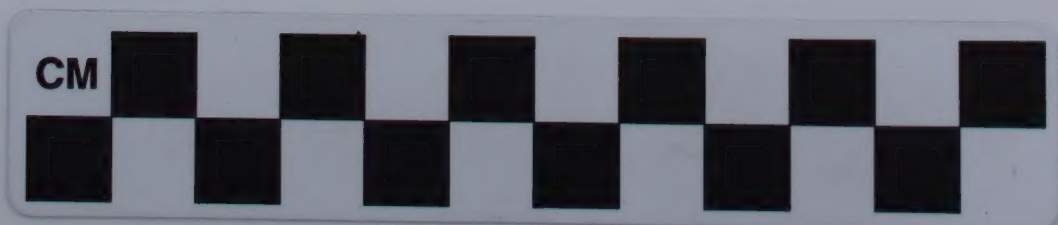

4) I don't think it  
would pay me to  
come down to do  
that work for Bowery  
unless I get out of  
work here and it  
don't look as if I  
would just now  
have got two houses  
to finish right  
away and more to  
be ready soon

If Rockwell had  
of come up here  
I could of got him  
a job helping me  
finish in side  
as my boss has  
put me in charge

CM

5-) of the finishing  
and said that  
possibly he would  
pay me a little  
more money a little  
later on  
Why don't Keff do  
that work for Bowen  
tell Bowen I would  
like to do their work  
all right, but don't  
see how I can do  
it now as I have  
got an all summers  
job here ahead of  
me now, don't know  
whether I will be  
able to get away even  
to help you pack  
up or not, will  
see later.

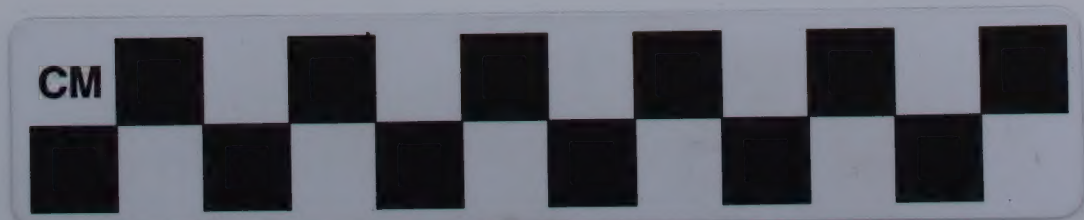

b) If you intend to  
make this your home  
here after, I don't  
see any other way  
out of it but what  
will half to sacrifice  
some of your belongings  
down there  
can't you sell some  
of the things to  
Harolock and pay  
him up

Well it rained here  
most all day and  
is a little showery  
now think it will  
rain before morning  
this rain has been  
fine for late tree  
planting

CM

7 I got your card  
of Friday O.K.  
Those orange blossoms  
smelled fine many thanks  
wish I was down  
there to eat some oranges  
get some here half to  
pay 25cts a dozen  
eggs 20cts, butter 25cts  
bacon 28-30cts lb  
potatoes 2cts a lb  
I will try and write  
to girls sometime  
was awful glad to  
get those sweet letters  
am sorry Bae is so  
naughty hope she will  
be better after this

8) I would come  
down if I was  
sure of getting a  
steady job as janitor  
in school

Will half to save  
every penny I can  
so as to be able to  
get my sweet hearts  
up here if I can  
as it is going to take  
lots of them

Well I must ring off  
for this time and go  
to bed as it is 9:30 P.M.  
so Good night  
write soon and tell  
all the news  
with love to all Dads

Dear One at home

I received your  
card this morning and  
glad to hear from  
you to hear you were  
all well

I worked all day  
Sunday it rained  
most all day, but  
today it ~~was~~ was  
part cloudy but  
no rain it looks  
a little like rain to  
night

I did not get my  
check cashed today  
but will try and  
do it in the morning

CM

2) and send you  
some ~~money~~ money  
What will I do  
about trying to get  
money to build with  
and what about  
building on the lot  
in Town I wish  
you was here to  
help to decide  
I would like to  
have the girls here  
but I guess it would  
be better for them to  
stay with Mama ~~and~~  
unless you can  
along to

I surtnley ~~am~~ gett-  
ing tired of this way  
of living

CM

3) No I can't guess  
who it was unless  
it was Rackwell  
If it ~~was~~ sent for the  
stock and chickens  
it wouldn't cost  
us so much to move  
up here

Well I didn't finish my  
letter last night will try  
now, it is foggy this  
G.M. guess will clear a  
way soon just had  
breakfast and must  
start to work have  
about  $1\frac{1}{4}$  miles to walk  
and it is 7 o'clock must  
close and go will write  
soon again with  
love to all  
Dad
